Dear Judge Boyd:

Please allow me to provide you with the City of Cloverdale's responses to the 2006-2007 Grand Jury Final Report concerning "Wastewater: Money Down the Drain?" (Recommendations #1, 5, and 6); "Signs of the Times" (Recommendation #6); and, "Access and Recreation in Open Space District Properties" (Recommendation #6).

The City of Cloverdale ("City") is happy to provide technical information and/or assistance that may be requested of us concerning the Findings and Recommendations in the 2006-2007 Grand Jury Final Report.

With respect to the Recommendations identified above, the City has the following responses:

II. Signs of the Times

R6 The legality of all billboards in the county should be examined and any illegal billboards should be removed.

Response: The City has implemented this recommendation. The City has one billboard, located on the Citrus Fair Property at Cloverdale Boulevard and Citrus Fair Drive. The billboard is a legal nonforming use. There are no illegal billboards to be removed in the City.
