

Campaign Contribution/Endorsement Disclosure

Please be advised that I, Judge Kenneth G. English, was a candidate for judicial election having filed a Statement of Intent and all attenuating documentation with the County of Sonoma and the California Secretary of State for Sonoma County Superior Court Judicial Seat #6 and appeared on the March 5, 2024, general primary ballot.

Please also be advised that I accepted personal endorsements, monetary, and in-kind, campaign contributions. In accordance with the California Code of Judicial Ethics, which mandates courtroom disclosure of any contribution or loan by any party, individual lawyer, or law office, that may appear before the Court, in the cumulative amount of \$100 or more even if such contribution would not mandate recusal pursuant to Government Code Section 84211 subdivision (f); a list of qualifying contributors and public endorsements is available to all that appear in this Courtroom by request from the Clerk of this Court.

The purpose of this disclosure is to provide parties and lawyers appearing before a judge, during and after a judicial campaign with easy access to information about campaign contributions and endorsements that may not require disqualification but could be relevant to the question of disqualification of that judge.
