Re: Sutter Medical Center of Santa Rosa Response, 2007-2008 Sonoma County Grand Jury
Final Report

Dear Judge Boyd:

This refers to the 2007-2008 Sonoma County Grand Jury Final Report entitled "Assignment of Health Care Access Agreement Sutter Medical Center of Santa Rosa and Santa Rosa Memorial Hospital." The Sutter Medical Center of Santa Rosa ("SMCSR") Board was asked to respond to the following recommendation: Sutter Medical Center should consider other options for the use of Warrack Hospital before the beds are decommissioned, as a possible source for delivery of broad based secular care and services.

The Board of SMCSR is pleased to respond as follows: The beds at SMCSR's Warrack Campus hospital facility were delicensed by the California Department of Public Health on January 31, 2008. Future uses of SMCSR's Warrack Campus hospital facility are under consideration.

Please contact me if you have any questions.

Sincerely,

Michael J. Cohill, CEO
Sutter Medical Center of Santa Rosa
