## HAVE YOU CONSIDERED MEDIATION?

Mediation gives you the opportunity to reach your own agreement, rather than having the Court decide the outcome for you.

**Mediation is**:

- Results Oriented - Impartial mediators facilitate communication with parties in conflict so they can reach their own workable solutions.
- Time Saving - Our intake process is simple and can be completed over the phone. The mediation can be scheduled to accommodate the parties.
- Cost Effective – RECOURSE charges affordable fees.
- Confidential - Communications during your mediation are protected by California Evidence Code sections 1115 to 1128 as confidential and not admissible as evidence in court should you later decide to sue. *Both parties, however, may choose to have their agreement treated as enforceable by the Court.*

* RECOURSE Mediation Services is the only community based mediation non-profit organization in Sonoma County. No one will be turned away for inability to pay.
