

Guardianship Calendar Tentative Rulings
Tuesday, October 20, 2026

1. Guardianship of Leo David Chase Dillwood
23PR00392
Review

TENTATIVE RULING:

APPEARANCE OF THE GUARDIAN IS REQUIRED. The Guardian is to advise the Court on the issue of whether the appointment of successor Minor's Counsel remains necessary, and whether further visitation review hearings are required. Additionally, the Guardian is ordered to file the required annual Confidential Guardianship Status Report no later than December 1, 2026, and annually thereafter. (Form GC-251 is available at the following URL: <https://www.courts.ca.gov/forms.htm>) To ensure compliance with the requirement of an annual GC-251, this matter is **SET** for Case Management Conference at 9:00 a.m. on December 1, 2026, in Department 61. If the Guardian has at that time filed the required GC-251, an appearance will be waived, and a new hearing date shall be set for one year out for the filing of the annual Status Report.

Further advisements which are not part of tentative ruling: If any objections are filed at or before the time of hearing, the Court will not adopt the tentative ruling and will, instead, set the matter for a contested hearing and the parties will be notified by the Court as to when they should next appear.

2. Guardianship of Matthew Dallas Ryan
24PR00983
Child Custody/Visitation

TENTATIVE RULING:

APPEARANCES ARE NOT REQUIRED. After further review of the court file and the pleadings contained therein, to include Minor's Counsel's Final Report, which was received on October 12, 2026, the petition for visitation is **DENIED** in its entirety. Petitioner has yet to address the preexisting Domestic Violence Restraining Order (DVRO) issued July 28, 2025, in *Ryan v. Ruiz Ryan* (Sonoma County Court case number 24FL02413). Until Petitioner is granted modification of the DVRO to allow for visitation with the minor, or successfully petitions the Family Law court to set the DVRO aside altogether, any order granting visitation in the probate guardianship matter would be in direct conflict, and procedurally improper. As such, and without addressing the merits of the petition for visitation, the petition is denied on its face. Minor's Counsel's request to be relieved is granted. Counsel will prepare and submit an ex parte order granting the request.

**3. Guardianship of Siena Gabrielle Tagle-Callegari, Giselle Monette Callegari-Tagle
25PR01393**

TENTATIVE RULING:

The guardian is ordered to file an Acknowledgment of Receipt of Order for the Funds in Blocked Account (Form MC-356) for the remaining minor, Giselle Callegari-Tagle, no later than December 1, 2026. The guardian is ordered to file the first account and report, or a waiver of account, for Giselle Callegari-Tagle no later than February 1, 2027. To ensure compliance, the matter is **SET** for a hearing at 9:00 a.m. on February 2, 2027, in Department 61. If the required documentation has been timely filed, an appearance will be waived.
