**24PR00642**  
Other Hearing

**TENTATIVE RULING:**

**APPEARANCES ARE NOT REQUIRED.** The Court has received and considered the Petition for Visitation filed by Lily Worden, and her accompanying declaration, as well as the declaration filed by the Guardian, Terri Worden, in response to the petition. By agreement Lily Worden is ordered to have a minimum of two visits per week with the ward, Logan. Of the two visits, at least one visit shall be for attendance for Logan's therapy session on Monday, Wednesday, or Friday at 3:00 p.m., unless recommended against by the therapist. Each visit is to last a minimum of two hours, and all visits are to be supervised by either the Guardian, the Guardian's sister, Lynn Perfetti, or any other mutually agreeable third party. These orders describe the minimum visitation that is to occur, and the parties are at liberty to participate in any additional visitation as is mutually agreed upon, though all visits must be supervised. Following a substantial period of successful visitation pursuant to these orders, either party may petition the court to modify the supervision requirement.

If any party's time estimate exceeds twenty minutes, the Court will specially set the matter for an evidentiary hearing at another time convenient to the Court and the parties. All parties should also be prepared to identify a reasonable date for the exchange of witness lists and documents (if any) which he/she/they intend to submit for the Court's consideration at the evidentiary hearing. Finally, all parties are hereby advised that strict compliance with local rules will be required. They should take special review Local Rules 6.2.F. which requires, among other things, that parties meet and confer for purposes of making reasonable efforts to informally resolve any controversies and to file Statements of Issues or Settlement prior to an evidentiary hearing.
